Smart Glasses

Idea

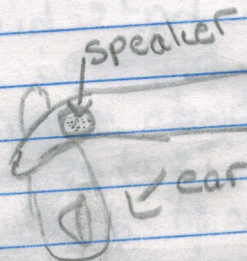

It would look a lot better

Inspiration: Iron man and spiderman

Speaker (2 options)

#1

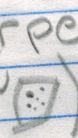

Problem:

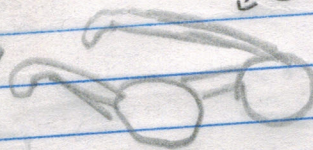

Other people could hear what it said

#2

earpiece

Transmission

glasses

The earpiece would connected

Lenses or Screen

Lense(s)

#1

Project → Needs 2

Problem: 0

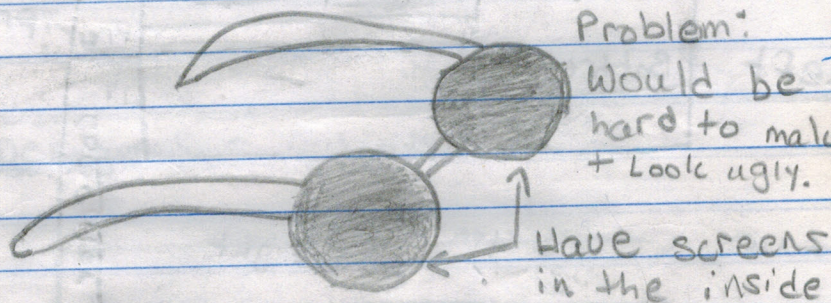

#2

Lilce have a screen

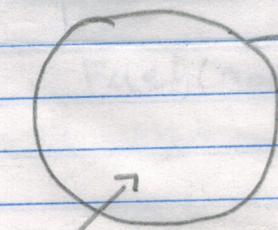

Problem:

Would be
hard to make
+ Look ugly.

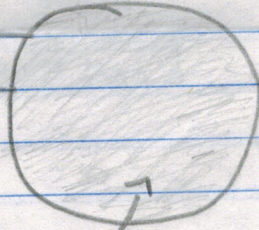

Outside

Inside

reflective
tinted

Black see through

Shoes flying?

↳ my-drogen.

Mind control

Invisible cloth

Run faster suit

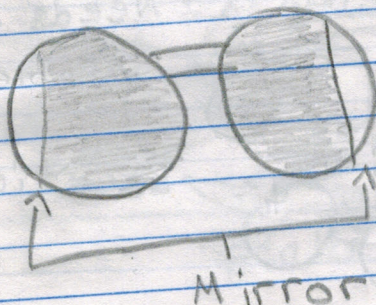

Sound blocker

Setpoints

google glasses

↳ look into

Look behind?

Need to be
angled
correctly
